Increase of the Contingent Allowance of Excise Inspectors & Asstt Inspectors

From The Excise Comr

No. 1886 Dated 24/8/07 Received 24/8/07

Diary No. 914 | Enclos. | Spare Copies | Serial No. 1

BRIEF ABSTRACT OF LETTER.

Solicits for reasons stated sanction of Govt. for raising the allowances from 0-12-0 & 0-8-0 & 2-00 & 1-00 respectively.

NOTES AND ORDERS.

I recommend the ~~proposal~~ amalgamation of the Cadre and Excise establishments in 1896 and also the introduction of the T.D. System (the allowance was made in 1896). The Excise

In the letter under disposal the Excise Comr. explains that the above rates are too low & quite insufficient to meet the charges and recommends that they may be raised to Rupees two & one rupee respectively or that his own office contingent allotment be raised by Rs. 2800/- so that the necessary articles may be supplied by his office to the whole staff. In either case the addl recurring expenditure asked for is Rs. 2800 This seems too high. The addl amount prayed does not seem to go above Rs. 1500/-

2 Asst 11/10 From the letter of the Supdt Sky Depot it is seen that the Cost of supplied Shein Comedies more than prima facie make out a case for local purchase. At the same time it was also stated that the quality of locally purchased articles are inferior. If the apparent loss advantage is lost. If such work can be done without Good quality or inferior paper it is perhaps pertinent to question why the same kind of paper should not be used elsewhere and the cost of it saved to that extent. If on the other hand inferior paper is detrimental to such work, it is certainly advantageous to supply it from the Sky Depot. At all events it will be uniform & the Expenditure on this account will be regulated & known upon, and it seems better to make the Sky supply the Sky articles & the Excise Inspectors their duties as in the Coorg Circle.

15 From the Revenue Comr
no. 455 of 22.8.1911.
Forwards a consolidated statement showing approximately the average annual cost of stationery articles (except paper) supplied to the Sheikdars in the several Talukas during the past three years.

38 It is clear from the Rev. Comr's letter that no uniform practice obtains in the matter of the supply of stationery to Sheikdars. The quantity supplied varies in different Talukas, the same being regulated by the size & importance of the Hobli's. Taking an average from the consolidated statement sent by the Rev. Comr, the amount spent for each Sheikdar works out to about Rs. 4- per annum, exclusive of the cost of paper supplied. It is not known what the cost of supplying paper comes to & so it is not possible to say how much a Sheikdar's annual supply costs on the whole.

39 It will be seen that the information received regarding Sheikdars does not so far to help the solution of the question of the Contingent grant to be allowed to Excise Asst Inspectors. If it

is held that the cost of the paper supplied each sheikdar works on an average to Rs 3/- the total amount spent for him will be Rs 24 + Rs 33 = Rs 57- annually; and thus this amount being less than what the Excise Asst Inspector are being given viz annas eight per month or Rs 6/- per year, there will be no case for any increase to the latter.

40 As regards the Excise Inspectors Sub Registrars whose status is taken as to be the same as that of Excise Inspectors, it will be seen that the total cost of the stationery articles supplied to them from the Stationery Depot is Rs 752-7-11. This sum divided among the 52 officers gives Rs 14-8-0 nearly for each; and with the sum of Rs 3-8-0 spent for each on purchases otherwise made locally the total for each Sub Registrar will be about Rs 18/-. The articles now proposed for the Excise Inspectors are estimated to cost Rs 25/8 if purchased locally or Rs 38/5/8 if supplied by the Stationery Depot. There

The Excise Inspectors are allowed annas 12 per month or Rs 9/- per annum

6c So far, the Probationary Inspectors and Asst. Inspectors are placed on the same footing ✓ contingent grant and the above order continues this practice. Recently however the Excise com has urged that the Prob'y Inspectors should be given the same amount as the Inspectors in view of their being also placed in independent charge of Ranges. Pending orders on the general question in this file it has been ordered that the four newly appointed Prob'y Inspectors should be given the same allowance as Asst. Insps. It is therefore a point for consideration whether these & the other six probationary Inspectors should be classed with Inspectors in the matter

SIR,

I have the honor to state that the Excise Inspectors and Assistant Inspectors are now allowed a fixed contingent amount of annas twelve and eight respectively. This amount is hardly sufficient to meet the purpose for which it is allotted and many an Inspector has been paying from his pocket, the additional sum required, while others have been getting papers by begging from other offices. The offices of the Forest Rangers and Police Inspectors which are analo-gous to these are either supplied with the necessary contingencies or are allowed sums which far exceed the allotment now made to the Excise Inspectors and Assistant Inspectors. The correspondence in these offices is not in any way less than what it is in the similar offices of the Forest and Police Departments. It is, therefore, ne-cessary that the Excise Inspectors and Assistant Inspectors should either be supplied with the necessary contingencies from the Head office in which case the allotment under office expenses in the --

the budget should be increased by about Rs. 2800/- or the fixed ~~amo~~ amount now allowed raised to Rs. 2/- in the case of Excise Inspectors and to Re. 1/- in the case of Excise Assistant Inspectors. This is a very moderate amount and in the last conference all the District Excise officers were of opinion that the above was the minimum that could be fixed.

2. In these circumstances I request that Government may be pleased to sanction either the supply of the necessary contingencies from the Head-office, making an increased allotment in the budget under office expenses or raise the present amounts of annas 12 and 8 to Rs. 2/- and Re. 1/- respectively. I am in favor of the latter course.

Hence I am of opinion that it would be advantageous to Government to continue the present practice of these officers purchasing them locally as hitherto. The list is herewith returned. The reason for the difference in price can only be explained when the respective qualities of the items

In reply to your letter No. F1.3218/S.R.51-09 dated 14th December 1910, enquiring whether the Shekdars in the state are supplied with stationery from the Taluk Offices or given money for contingent expenditure out of the contingent allotment of the said Offices, I have the honor to state that the Shekdars are not given any money for contingent expenses. The stationery articles required for their use are supplied to them by the Taluk Offices. Since November 1905, the Taluk Offices are being supplied with paper by the Government Stationery Depot, (Vide Government proceedings No.G.2755-65-G.M. dated 25th November 1905) and it is understood that they distribute a portion of this supply among the Shekdars. The actual quantity allowed to, or consumed by, them will vary according to the bulk of the work in each Hobli.

2. The other articles of Stationery such as ink, pen and pencils are purchased by the Taluk Offices out of the fixed monthly contingent allotments allowed to them and supplied to the Shekdars . It is not known whether there is any uniform scale for regulating the supply of these articles. The Deputy Commissioners have been requested to ascertain and report the actual quantity of such articles supplied to the Shekdars

For Mr Secretary

Mr.

Rs 3/- is being given to Shekdars in the French Rocks Sub Taluk. In many Taluks where the articles are purchased and supplied by the Taluk office, correct accounts do not appear to have been maintained.

4. I am issuing a circular (copy herewith forwarded) inviting the attention of the Deputy Commissioners to the orders of Government referred to above, with a view to the procedure sanctioned therein being strictly followed in future.

I have the honor to be,

Sir,

Your most obedient servant,

Letter No.9708/583 dated 17th June 1911 from the Deputy Commissioner of the Kolar District to the Revenue Commissioner in Mysore.

With reference to your memo No.7914-21 dated 30th January 1911 7th February calling for a report on the supply of Stationery articles to Shekdars from the Taluk fixed monthly contingent allotments, I have the honor to state that no uniformity is observed in the matter of issuing these articles to the Shekdars in this District in as much as the Amildar of Mulbagal and the Deputy Amildar of Gudibanda, report that no articles purchased from out of their contingent allotments, are supplied to them, while the Amildars of Malur and Chintamani are not able to furnish correct information as to the actual quantity allowed to them for want of proper accounts. The only Amildars who have furnished the information are those of Kolar, Chickballapur, Bagepalli and Sidlaghatta for which a statement is prepared and submitted. The other Amildars have not as yet furnished the required information inspite of repeated reminders issued to them on the subject. I have again called upon them to submit their reports at once and on receipt of information, the same will be submitted separately with out delay.

Letter No.129/8 dated 6th July 1911 from the Deputy Commissioner of the Kolar District to the Revenue Commissioner in Mysore

---

In continuation of this office letter No.9708/583 dated 16/17th June 1911, I have the honor to submit herewith a supplemental statement showing the particulars of Stationery articles supplied to the Shekdars in the Bowringpet and Srinivaspur Taluks during the past three years. As regards the Goribidnur Taluk, it is reported that the Shekdars of that Taluk are not being supplied with articles purchased from out of their monthly fixed contingent allotments.

Letter No.51 dated 31st July 1911 from the Deputy Commissioner of the Hassan District to the Revenue Commissioner in Mysore.

With reference to your Memo No.7914-21 dated 31st January 1911 ~~7th January~~ February calling for a report as to the actual quantity of stationery articles purchased by Taluk Offices out of their fixed monthly contingent allotments, and supplied to Shekdars during the post 3 years and the approximate cost of the same, I have the honor to submit herewith a statement showing the required particulars, and to state that no uniform system, or scale, has been observed by the Amildars in the matter as may be seen from the statement.

2. In the Taluks of Mangerabad and Arkalgud and Alur Sub-Taluk, it is presumed that the Shekdars purchase the required stationery articles from their pocket which is not at all desirable. The Amildars and the Deputy Amildar will be directed to supply the stationery articles to the Shekdars out of the quantity purchased by them for use in the Taluk Cutcherries out of the contingent amounts allowed.

3. As the report from the Amildar of the Belur Taluk on this subject was received only yesterday, the report could not be submitted earlier. The Amildar has been warned against such delay in future.

No. A 2156-63 Office of the Revenue Commissioner in Mysore,

Dated Bangalore, 22nd August 1911.

C i r c u l a r .

The Revenue Commissioner has observed that except in the Shimoga Kadur and Chitaldrug Districts, the stationery articles required for the use of Shekdars are not being uniformly supplied by the Amildars as per Government Order No.G.2924-64/G.M.312-04-10 dated 5th December 1905 and that even in Taluks where the articles are so supplied correct accounts of the supplies issued are not maintained. The attention of all the Deputy Commissioners is invited to para 2 of Government Proceedings, quoted above, wherein it has been clearly laid down that Shekdars should be regarded as a part of the taluk establishment for the issue of stationery, and they are requested to ensure that Amildars issue regularly at the commencement of every month, in future, the necessary articles of stationery and maintain a proper list of the issues.
